DEFERMENT OF DRILLING REQUIREMENTS,
STATE OIL AND GAS LEASE PRC 2879

LESSEE/OPERATOR:

Union Oil Company of California
P. O. Box 7600
Los Angeles, California 90051

Attention: K. J. Robertson

AREA, TYPE LAND AND LOCATION:

State Oil and Gas Lease PRC 2879 was issued on
April 26, 1962, and contains approximately
5,653 acres of tidelands lying south and
offshore Point Conception in Santa Barbara
County. It is the westernmost offshore State
Oil and Gas Lease in the Santa Barbara Channel
and adjacent to the proposed Point Conception
State lease area.

SUMMARY:

On November 23, 1982, the State Lands
Commission granted Union a deferment of the
drilling requirements of State Oil and Gas
Lease PRC 2879 until June 1, 1983. Commencing
on March 23, 1983, Union drilled 18-6 and 18-6
No. 1 redrill. Both of these exploratory wells
were tested extensively and the redrill was
finally abandoned on June 17, 1983. In
October 1983, the Commission granted to Union a
deferment from October 17, 1983 through
April 16, 1984.

In a letter dated March 9, 1984, Union stated
that a decision to prepare a Development Plan
had been made and has requested a 12-month
deferment of the drilling obligation. Staff
recommends a six-month deferment, until
October 25, 1984, conditioned on Union
submitting a development plan prior to that
time.
